## Grapple Truck Collection Schedule

ADA – Effective immediately, the City of Ada will implement a new Grapple Truck system designed to maximize efficiency and keep neighborhoods cleaner.

The new system will keep the Grapple Truck operating in a continuous pattern so that every city quadrant will be covered per a set schedule each month. Each of the city's quadrants will correspond to a week of each month. For this new system, a week refers to Monday through Friday. Also, the service is only for residences inside the city limits.
