AQUATICS & PARKS CALENDAR

GOALS STATEMENT

To our Ada Community:

Within our Parks and Recreation departments, we hope that people will play, learn, and develop a greater capacity to enjoy life. We wish to build a healthy community through people, parks and programs. In Ada, we want our residents, visitors, and workers to enjoy opportunities to improve health and fitness and also connect through parks and recreation and their activities.

Our mission is to enrich the lives of the residents of Ada in multiple ways that includes our providing safe, welcoming parks and recreation facilities.

Our desire is in the providing affordable, diverse recreation and human services activities for people of all ages to play, learn, contemplate, build community and be good stewards of our environment; and our vision is the providing affordable recreational, physical and cultural opportunities for all of Ada residents, with a focus on families, youth development and building healthy communities.

Our continual goal is to offer the programs and services that will provide excellent value and quality and emphasize the equitable distribution of resources throughout the City. We will always work our best to offer these programs in safe, attractive and well-maintained facilities that will reflect the public's needs and interests.

RECREATION STAFF

JOE NEELY, RECREATION COMMISSIONER

I am a 30 year veteran of public education, working as a teacher, coach, and administrator. I hold a Bachelor's Degree in Physical Education/Social Sciences and a Master's Degree in Public School Administration. I am honored to serve the city as the Recreation Commissioner. I enjoy working with our outstanding staff in providing the very best in recreation opportunities for the City of Ada. My role as Recreation Commissioner is to be responsible for managing both Aquatic Centers, the Sports Complex Softball Leagues, booking Wintersmith Lodge and Arts/Heritage rentals, as well as hosting events such as Movies in the Park and Pools, Mummy/Son Dance, Valentines Daddy/Daughter Dance and the Spirit of Christmas. I have the opportunity to watch our community youth and adults have a great time participating in these activities. I encourage parents and kids to get involved, you will thoroughly enjoy what we have to offer our community.

CEBO YOUNG, SPORTS COORDINATOR

After graduating from Ada High School, I attended East Central University so I have been a part of Ada my entire life. The softball leagues, pop-up play, swimming pools, movies at the park and at the pools, go hand in hand, to me. Some activities encourage you to get up/out and move around and exercise. While the others are also an opportunity to rest and relax. The Mummy/Son Dance & The Daddy/Daughter Dance are a great opportunity for fun-themed bonding. I love being a part of this department and the opportunity it gives me to interact with the community!

KIERSTEN PRATER, ADMINISTRATIVE ASST.

I was born and raised in Ada. I graduated from Byng High School and moved to Missouri State University to get my degree and play on the Women's Golf team. Once I graduated, I moved back home to take this position. Growing up here and playing ball at Matthews Park, swimming at the original Wintersmith Pool, and personally seeing our recreation department improve has been inspiring. I am very thankful to be a part of all the great things we are doing for the youth of our Ada community! Our new softball facility is nicer than anything I had imagined as a kid. The TWO aquatics centers are state of the art and far better than the previous facilities. We also offer Pop Up Play, show movies in the park and have the occasional poolside movie throughout the summer. We are always striving to get the community involved and I believe the more the community gets involved the more successful we will be with improvements for the future!
